

“Your **success** is directly tied to how **uncomfortable** you are willing to get.

— CARMINE

CFP® / CHFC® / AIF®
Carmine Corino

FOUNDER + CEO >> ADVISOR >> SPEAKER >> MENTOR >> AUTHOR

For over two decades, Carmine Corino has been rewriting how financial advice gets delivered. As Founder and CEO of Cornerstone Planning Group, bestselling author of *Broken Dealer*, and a certified CFP®, ChFC®, and AIF®, he’s helped countless advisors break free from the quotas, conflicts, and constraints of traditional finance — and build practices that finally serve clients the way they were meant to be served. His leadership proves a simple truth: independence is a mindset — one backed by structure, discipline, and a client-first standard the industry should have had all along.

SIGNATURE KEYNOTES

The Most Important Hour of the Day: Protecting Your Mind, Time + Energy

Carmine teaches how intentional structure supports clearer thinking, emotional steadiness, and stronger long-term decisions.

Your audience walks away with:

- > A concrete routine that boosts daily performance
- > Tools to manage stress and mental overload
- > A framework for reclaiming emotional and mental bandwidth
- > Insight into productivity habits used by elite advisors

Your Time Is Your Alpha: The Advisor Transformation Blueprint

Time is the real currency of life. Carmine shows advisors how reclaiming even 10–20 hours per week reshapes performance, leadership, and scale.

Your audience walks away with:

- > A clear roadmap to offloading low-value work
- > Awareness of the hidden barriers stunting growth
- > Insight into how to scale impact without increasing hours
- > A renewed sense of control and spaciousness

Burnout Is the Hidden Enemy: A Framework for Sustainable Success

Most advisors wear burnout like a badge of honor. Carmine names the pattern and dismantles it.

Your audience walks away with:

- > Tools to recognize and interrupt burnout patterns
- > How to reclaim personal time without losing productivity
- > A structure for creating sustainable success
- > Emotional validation and relief

Culture as Strategy: Leader Lessons From an Advisor-Centric Firm

Drawing from Cornerstone’s advisor-first model, Carmine reveals how integrity, ownership, and empathy drive organizational performance.

Your audience walks away with:

- > A framework for building a high-performance culture
- > Leadership insights that immediately improve outcomes
- > Tools for increasing advisor satisfaction and retentions
- > A replicable blueprint for advisor-centric leadership
